Mr. Frank Keefe
CEO
The Boston Museum
55 Court Street
Boston, MA 02108

Dear Frank:

As President of the Commonwealth's public university system, I would like to express my strong support for the creation of the Boston Museum.

I strongly believe that the museum as envisioned would address a conspicuous need by bringing the many strands of Boston's storied history together in a single location in a way that would benefit students, citizens and visitors. The Boston Museum would weave these strands into a magnificent, impressive and enduring tapestry.

Boston is a city that has given so much, and will continue to give much, to our Commonwealth, our nation and our world, and its story deserves to be told in a way that befits its status as one of the world's truly great cities.

Sincerely,
